NOTES:

1. *In order to make sure you understand the instructions, please read the instructions prior to crocheting.*
2. *Count your stitches after each round.*
3. ***Begin each round with** standing stitch or ch 1 and the appropriate stitch (e.g. dc) in the same stitch.*
4. ***End each round** with slip stitch into first stitch or – like I do – with an invisible join. It takes a little longer to finish each round, but believe me, you will be happy once your work is done, and you have to sew in ends and realize you have only two ends to sew in as opposed to at least 170 if you do all 85 rounds of Frigg and begin each round with a new colour.*
