NOTES:

1. *In order to make sure you understand the instructions, please read the instructions prior to crocheting.*
2. *Count your stitches after each round.*
3. **Begin each round with** either a standing stitch or a chain and the appropriate amount of chains (e.g. ch3 = dc1).
4. *End each round with slip stitch into first stitch or – like I do – with an invisible join. It takes a little longer to finish each round, but believe me, you will be happy once your work is done, and you have to sew in ends and realize you have only two ends to sew in as opposed to at least 170 if you do all 85 rounds of Frigg and begin each round with a new colour.*

**SPECIAL STITCHES:**

BP – Back Post (hdc or dc) – insert hook from the back around the stem back to the back side of indicated stitch. Finish hdc or dc like a normal hdc or dc.

FP – Front Post (hdc or dc) – insert hook from the front around the stem and back to the front side of indicated stitch. Finish hdc or dc like a normal hdc or dc.

DTr – Double Treble – Yarn over thrice, insert hook in indicated stitch, pull a loop up, (5 loops on hook), (yarn over, draw through 2 loops) 4 times.

LongSc – Spike (or long) single crochet – A spike single crochet is an sc which is made in a stitch in a round below current round. Pull loop to the level of current round. Make sure it is not too tight. Finish long sc like you would do with a normal sc.

LongDc – Spike (or long) double crochet – A spike double crochet is a double crochet which is made in a stitch in a round below current round. Pull loop to the level of current round and make sure it is not too tight. Finish long dc like you would do with a normal dc.

Pc – Popcorn – 5 dc in same stitch, remove hook from loop, insert from front to back of 1st dc and into dropped loop, pull through. Close with a ch 1, which does not count as a stitch and is not counted in any chains you may have to make after the Pc.

Pearl – Pearl stitch – Dc, then make a puff stitch **around** the stem of the dc, like this: (yarn over, insert hook around the stem of the dc, yarn over, pull a loop up) 4 times [9 loops on hook], yarn over, pull through all 9 loops. Close with a ch1 which does not count as a stitch.

Puff – Yarn over, insert hook in next stitch or space and pull up a loop, yarn over, insert hook into same stitch or space and pull up a loop 3 times (9 loops on hook), yarn over and pull through all 9 loops. Close with a ch1 which does not count as a stitch.

Tr – Treble – Yarn over twice, insert hook in indicated stitch, pull a loop up, (4 loops on hook), (yarn over, draw through 2 loops) 3 times.
